The Sherbrooke Initiative and Choral Scholarships

I am writing to you as treasurer of the charity, The Sherbrooke Initiative Ltd.

As many of you know, the charity was set up some fifteen years ago. Its objective is to advance citizenship and community development, the arts, heritage and culture in and around Pollokshields, Dumbreck and Mosspark.

As some of you will know, the charity had previously offered music scholarships to young people to sing in the choir at the Church, but that fell by the wayside during Covid. We are pleased to report that the charity's funds, and some generous one-off donations, have allowed us to reinstate the scholarships. You will find details enclosed of the new initiative to offer choral scholarships. Can I ask that you spread the message as widely as possible to those who might be interested?

Many members of the congregation already make monthly or quarterly contributions to the charity. If you don't do so, could I ask that you please consider making a contribution? And if you already do, please consider whether your contribution could be increased. As a charity, all contributions can potentially be gift aided.

If you have any questions or suggestions feel free to contact me by email, care of the church secretary at sherbrooke-init@btconnect.com. I can supply bank mandates or gift aid forms as necessary. Or speak to me at Church, where I can often be found behind the video desk at the back!

Robert Baird
Treasurer
