159th Glasgow Scout Group & Pollokshields Explorers

Sherbrooke Mosspark Parish Church has a thriving Scout Group & Explorer Scout Unit, offering Beavers, Cubs, Scouts and Explorer sections for young people from 5 years 9 months to 18 years. Scouting promotes adventure, friendship, community service and personal growth in a safe and supportive environment. Whether discovering the outdoors, learning new skills or simply having fun together, our young people are inspired to do their best and help others. All sections meet in the large hall and new members and families are very welcome.

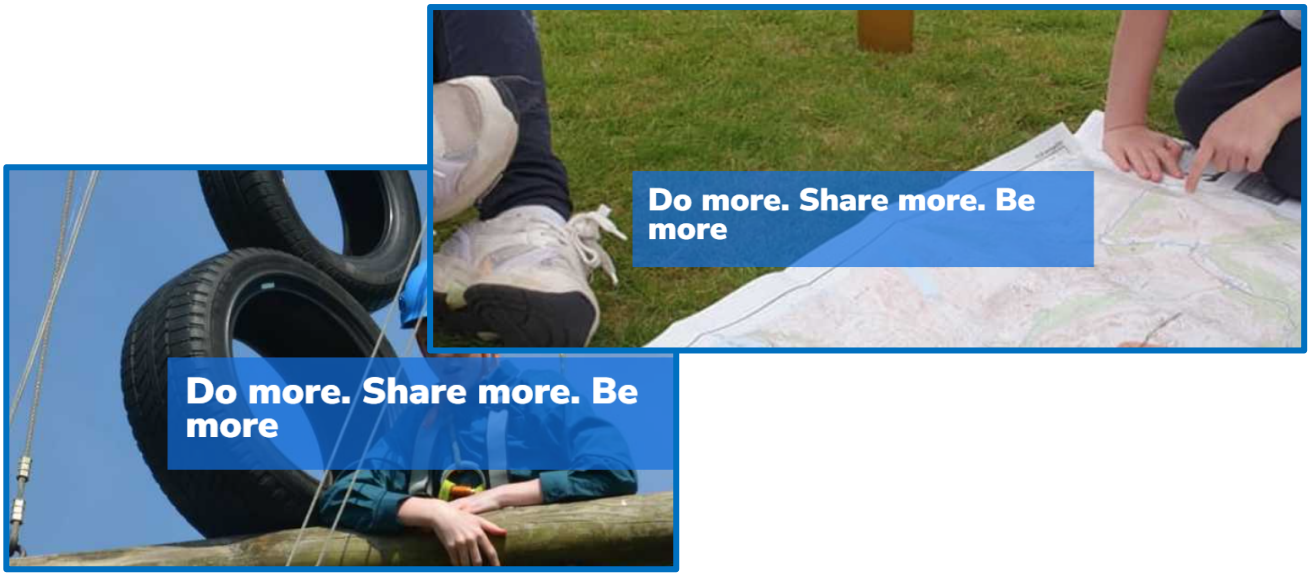
Beavers

The Beaver Scout Colony is open to all young people aged from 5 years and 9 months until their 8th birthday. The Beaver Motto is “Fun & Friends” and we do lots of fun things at Beavers as well as making new friends. Activities include games, handcrafts, first aid, learning about the world around us, archery, cooking: all of these earning the Beavers lots of badges.

Beavers meet from 6.30pm – 7.30pm on Wednesday evenings during term time and a warm welcome awaits your young person at the Beavers.

Cubs

The Cub Pack meet on Tuesday evenings from 7pm to 8:15pm. We enjoy lots of activities, learn new skills and try out lots of challenges working with the other Cubs. Trips and overnight stays also feature, and a varied programme is provided for the Cubs during the term. Cubs are open to children between the ages between 8 to 10½ years and a warm welcome awaits.



Scouts

Our Scout section is open to young people from 10 ½ to 14 years and delivers a broader range of activities and experiences than the two younger sections. As well as in-hall activities the outdoors plays a larger part in the Scout Troop programme with most years seeing overnight experiences in all seasons – some based at indoor centres but often camping outdoors. Members of the Scout Troop are challenged more in their activities than in earlier years and start to develop greater self-reliance, self-awareness and teamworking skills during their time in Scouts. Just as with the other sections, Scouts are happy to have new members who have not previously been in Scouting.

Scouts meet from 7.30pm – 9.15pm during term time.

Explorers

Pollokshields Explorer Scout Unit is a vibrant and welcoming community for 14 to 17 year-olds who love adventure, teamwork, and learning new skills. Explorers take part in exciting activities such as outdoor challenges, camping trips, creative projects, and community service. Recent highlights include camping in the snow in Inverness, an international trip to Switzerland, and fun local experiences like a Glasgow Subway quiz. We also enjoy hands-on skills such as pioneering and cooking on open fires. It's all about building confidence, making friends, and having fun while developing practical skills that last a lifetime.

We're delighted to welcome newcomers to Pollokshields Explorer Unit - a place where everyone can feel at home, share experiences, and grow together. Whether you're joining Scouting for the first time or moving up from Scouts, you'll find a friendly atmosphere and plenty of opportunities to get involved. Come and try it out!

Our Explorers meet every Wednesday during term time from 7:45 pm to 9:15 pm.
