**To all our new friends at Sherbrooke Mosspark.**

A huge thank you from the Ibrox folk for the wonderful, warm welcome which has been extended to us while our church is undergoing the renovation work. On Sunday 9th July, at the end of a hectic and exhausting week clearing our halls, we arrived to a lovely welcome. It's fair to say we were a wee bit unsure (though why? I don't know) but our worries proved to be completely unfounded and it has been wonderful sharing worship with you each Sunday. Everyone has gone out of their way to help us find our way around your building and to answer any questions we have. It was an inspired idea to give us name badges each week which helps us all to address each other by name ( although, I must confess, I am still having to look at these badges each week!).

To Adam and Tara, we thank you for all the work you are doing, working together to provide us with stimulating services each week.

We look forward to the weeks ahead where we will continue to worship together and to get to know each other a bit more.

Thanks to you all once again.
