100 Envelope Challenge

The challenge closes this week and the fundraiser, due to everyone's generosity, has been incredibly successful. To date there have been 58 contributors and donations received amount to £3,384. As many of the donations were Gift Aided we are able to increase this amount by a further £747 meaning that we have raised £4,131. A further sum of £500 has been donated to the project by the AM Choir meaning that we are within £400 of the targeted £5050. The money will be put towards the cost of a new disabled toilet, to be constructed over the summer for the benefit of all who use the Church Halls.

This was the first project initiated by the Fund Raising Committee and they would like to thank everybody who has supported them so generously.

Plant Sale Results: the proceeds from the plant sale, including £400 from coffee and scones, was over £3,700. A wonderful result! Many, many thanks to all who helped make this an outstanding event.
