**~100 Envelope Challenge**

**This was the first project proposed and undertaken by the newly formed Church Fundraising Committee and we are absolutely delighted to report that it was an outstanding success due to the support and generosity of you all.**

**The aim was to raise £5050 to provide funds for a disabled toilet in our Church halls and this was achieved! Over 64 envelopes were returned with a donation and, as many of you completed the gift aid certificate, we are able to enhance those donations by over £800 of income tax recovery.**

**The cost of creating the disabled toilet, with associated plumbing, sound proofing and electrical work, will be close to £20,000 but we have obtained some grants and by utilising money already built into the budget, the project has now commenced and workmen are on site.**

**The Fundraising Committee are very grateful to you all and are now working hard to come up with other initiatives and events to run alongside existing events , like our hugely successful annual plant sale, to raise funds for our ongoing operating costs.**

**A Ceilidh in the Church is planned for Friday 20<sup>th</sup> September. This is being run in conjunction with the Scouts and it is hoped that this will be supported by everyone and will be a resounding success.**

**~ New Church Directory, we are going to publish an updated Church Telephone Directory this autumn. The Directory is a wonderful way to keep in touch with everyone in the church.**

**If you are currently in the Church Telephone Directory, all your details are correct and you wish to continue to be in it, then you don't need to do anything. Your details will automatically be entered into the new directory.**

**If you are not in the Church Telephone Directory and would like to be, please fill in a form which is on the table at the back of the church, and pass it to Janis, in the Church Office.**

**If you are in the current Directory but have changed any of your details i.e. email address, 'phone number, address then please fill in the form at the back of the church and pass it to Janis. Your details will be amended.**

**If you are in the present Church Telephone Directory and wish to be taken out of it then please contact Janis, in the Church Office.**
