

# COFFEE & CONVERSATION

## Join the Team - We have 3 Teams

### **Welcome Team:**

Mags and the welcome team chat to our Ukrainian Guests about things that will be of help to them as they adapt to their situation. This is done around tables in the large hall. The areas of help come from our Ukrainian Guest. Prior to the meeting Mags will share with the team the help that is needed. Your role is to bring materials that will help you do this.

90% of the help needed is to learn more about Glasgow and Scotland. Other requests come and together we try to find someone who knows

Doing this will help our guests in two ways.

- 1 - Improve their understanding of conversational English
- 2 - Give them ideas of where to visit either, for a short stay or day trip.
- 3 - Lets them find out about the different post codes In the city

If you would like to join the Welcome Team please contact Mags Cargey 07774 684 260

### **Conversational English Team:**

Hazel Hill and her team are now running 3 conversation English classes using the small hall, reception room and the board room. Additional help is needed within these classes. The help needed is to be yourself and to chat about situations the teacher may need you to explain. For example going to the Dr and questions you might ask? Going round a supermarket and paying at the till. Basically everyday situations we all do without thinking!

If you would like to join the Conversational English Team please contact Hazel 07957 680 465

**Refreshment Team:**

Lorna and her team organise and supply all the refreshments needed. This is very much valued by our Ukrainian guests.

If you would like to join the Refreshment Team please contact Lorna McRobert

**Transport Team:**

We have been extremely fortunate and thankful to the Cosgrove Charity who are at the moment providing us with a bus or cars and drivers. Help is needed to drive Yullia to the dock prior to the donated transport arriving and to help co-ordinate passengers.

If you would like to join the Transport Team please contact Nigel Williams.
