Dear Friends and Supporters

**The Graduates Association**

**Fashion Show 2022**

Strathclyde University is rightly proud of its commitment to helping the poor and marginalised, and the GA has played a considerable supporting role. We have been very active for over three decades now in holding annual events in aid of special causes, and since Strathclyde already has strong links with Malawi, the GA has committed itself to fundraising and supporting the Malawi Project since its inception 22 years ago. To date the GA has raised over £200,000 for Malawi.

On Wednesday 23rd November 2022, 7.30pm, the GA is holding its 13<sup>th</sup> fashion show, in aid of the University's Malawi Project. In particular we have pledged support to helping Malawians, by sending a container full of computers, classroom resources, clinic and hospital supplies, books and many more necessary items.

Whilst a serious cause, nevertheless, the fashion show will be a fun event on the night with a spectacular finale. To be held in the magnificent Sherbrooke Mosspark Church, and showing high-end fashions through all age groups, we expect a wide ranging audience of more than 450, as the show is well promoted. Our celebrity compères for the evening will be the actor, writer and producer, Mr Dave Anderson, and former STV presenter Ms Liz Kristiansen, and we also have one or two special models.

My reason for writing to you today is to invite you and family and friends to attend what will be a most enjoyable evening, with all profits going to the Malawi Project. We'll also have a raffle and auction with some amazing items. For tickets, £20, contact me at any of these numbers or addresses: 07971473176, [rosemary.harley@strath.ac.uk](mailto:rosemary.harley@strath.ac.uk), or at PO Box GA, University of Strathclyde, Glasgow, G1 1XQ. You can also book online via the link below. <https://www.alumni.strath.ac.uk/GA-Glasgow-23-11-2022>

I look forward to seeing you there.  
Best wishes,

*Rose Mary*
