

26/7/21

Hi, my name is Susan Graham and I am delighted to be your new church and community outreach worker. I have gone to church most of my life and in my mid-teens I decided that I wanted to follow Jesus and was baptised and became a church member. On leaving school I went to the Bible Training Institute in Glasgow and there I met my husband Jim.

On leaving bible college I worked with Child Evangelism Fellowship for 19 years. I have also worked with Faith in Community Scotland as local coordinator for Faith in throughcare supporting short term prisoners on their release from prison to reintegrate into the community.

I have been married now for almost 36 years (Jim deserves a medal). I have three adult children and two grandchildren. I also have two beautiful Jack Russel's that love taking me for walks

I am looking forward to meeting everyone in Sherbrooke and Mossspark Parish church and working alongside you.
